Special Instructions:

Any prices given by phone, in-person, or E-mail are **ESTIMATES**, and may not reflect your final adjusted price. Items/parts must be received completely dis-assembled and ready for finishing, except for brake calipers packages. (I.e no rubber, gaskets, bolts, sensors, o-rings, clamps, hoses, etc) We are not responsible for any of these non-essential items if lost. Any item/part that requires disassembly before finishing is subject to hourly labor rate of \$100/hr. Additionally if parts need to be disassembled, the parts removed will be billed accordingly to your invoice. Please note that your item/part must be able to handle the powder coating curing process which involves temperatures in excess of 400°F (i.e. no gaskets, seals, bearings, body filler, or plastic may be present).
